

Bundaberg Kart Club - GRAND FINALE PRIZE GIVEAWAY

2010 is set to be one the best year and full of excitement with Bundaberg Kart Club Inc offering up to \$ 8,000 in cash and prizes for loyal kart drivers and families who support the BKC in 2010. This is the first Kart Club to give back cash to competitors and thanking drivers for supporting Bundaberg.

If family members have a couple of entrants competing this will work in your advantage with more chances to win. Please keep in mind each driver has to do the required meetings.

The best thing is you don't even need to race hard or place all year in the monthly race meetings to win, we are more interested in rewarding loyal participants who compete at our club during the year.

Every monthly race meeting we will have a random draw for a chance for all drivers to win nomination money back along with random giveaway.

Cash & Prize draws – All entrants must compete in the required meetings.
